

QUALITY ASSURANCE TRAINEE
SA01 – Victoria & Surrounding Area

Emcon Services Inc. a Provincial leader in Road and Bridge Maintenance is seeking a Quality Assurance Trainee based SA01, South Vancouver Island, British Columbia. We are looking for a detail oriented person who thrives in a fast paced environment and seeks a chance for advancement while learning the Road and Bridge Maintenance Industry.

As Quality Assurance Trainee, you will work with our Senior Management Team, inspect and identify work and processes used, measure for quality, and examine compliance with contractual and company standards. The successful candidate will also participate in site Supervision/inspections, project cost-control and costing analysis. As a member of our Team, you have an active role in monitoring work programs.

This position requires the individual to work both outdoors (in all weather conditions) and indoors (office setting) as well as commuting throughout the Service Area on a regular basis using a company provided vehicle. This position requires above average analytical and organizational skills needed to complete reports and documentation, excellent communication skills, ability to work independently, ability to develop and maintain positive working relationships in a large and complex network and is flexible. Proven computer skills in Microsoft Word, Excel and Outlook are essential. Road construction/maintenance experience and an understanding of ISO principles and application of Quality Management Systems would be an asset.

Emcon Services has the following conditions of employment: satisfactory drug pre-screening and Driver's Abstract. Qualified applicants are encouraged to forward their resume and covering letter to:
