

# SEASONAL OPERATORS REQUIRED

MCLEESE LAKE, HIXON, NAZKO, WELLS & QUESNEL AREAS

Emcon Services Inc., Road and Bridge Maintenance Contractor, is looking for professional operators for the winter season (November to March annually), to operate snowplow, sanding trucks and/or grader. Positions are available in the Quesnel, McLeese Lake, Hixon, Wells and Nazko areas.

## **Required qualifications include:**

- Valid BC Driver's License – Minimum Class 5 with Air Endorsement (Class 3 or higher with Air Endorsement is preferred)
- Proven Highway Experience
- Experience driving single axle vehicles, tandem axle vehicles and operating a variety of transmissions, including a 13 speed
- Grader experience would be an asset (Cat 140H/140M)

Qualified applicants are invited to submit an application, along with a photocopy of their driver's license, an up to date driver's abstract and references to substantiate experience to:

**Emcon Services Inc.**  
**3401 Quesnel-Hixon Road**  
**Quesnel, BC V2J 5Z5**  
**Email: [quesnel.office@emconservices.ca](mailto:quesnel.office@emconservices.ca)**  
**Fax: 250-992-3656 Ph: 250-992-8809**

Visit [www.emconservices.org](http://www.emconservices.org) for Employment Application Form. Please note applications will not be accepted without a current driver's abstract and that only short listed applicants will be contacted. Pre-employment drug testing is part of hiring process.
