

TRADE JOURNEYMAN HEAVY DUTY OR COMMERCIAL TRANSPORT MECHANICS

Merritt Emcon Services Inc. is seeking applications, from qualified individuals who are interested in filling the above noted position. The position is that of a Trade Journeyman Heavy Duty or Commercial Transport Mechanic, preferably with experience repairing and maintaining highway maintenance equipment. This position requires a skilled and experienced mechanic; one who is safety-conscious, production oriented and self-motivated. Some shift work and field work is required, duties and responsibilities are in accordance with established TJ Mechanic classification specs, and the successful applicant will be required to supply their own trade related hand tools. Applicants must have the following qualifications and experience as a minimum.

Qualifications

- Trade Journeyman Certification in Heavy Duty or Commercial Transport Mechanics (BC TQ Certificate).
- BC Driver's License
- Preferably Grade 12 education.
- CVIP Certification an asset.
- Knowledge and experience in Preventative Maintenance Programs.
- Good knowledge of trade related worksite safety.
- Proven work experience on industry related heavy-duty equipment such as gravel trucks, plow trucks, winter maintenance attachments, loaders, graders, sweepers, mowers, backhoes, etc.
- Prefer individual who has up-to-date technical knowledge via trade related courses and/or training updates since achieving their TQ certification. Qualified individuals are invited to submit their resume with current driver's abstract, outlining qualifications, experience and references to:

Emcon Services has the following conditions of employment: satisfactory drug pre-screening and Driver's Abstract. Qualified applicants are encouraged to forward their resume and covering letter to: cfrancis@emconservices.ca or fax to (250) 378-4106

Emcon Services Inc. is an equal opportunity employer. We thank all candidates for their interest, however, only those selected for interview will be contacted.
